## 2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### Core Values for Teaching and Learning

#### PREAMBLE

The Governing Board of the Livermore Valley Joint Unified School District (LVJUSD) embraces as our mission that each student will graduate with the skills needed to contribute and thrive in a changing world and pledges:

- To continually develop and support a high-quality staff that is committed to innovative teaching.
- To insist on continuous improvement to ensure successful learning outcomes for all LVJUSD students.

#### CORE VALUES

In support of our District's mission, our Superintendent and staff will adhere to the following core values for teaching and learning:

- LVJUSD schools will be safe, inclusive and welcoming for all students and their families.
- LVJUSD will provide current, relevant and engaging instructional materials and strategies that allow students to personalize their educational experience.
- LVJUSD will deliver innovative teaching and professional development that ensures the highest quality instruction that is responsive to each student's needs.
- All LVJUSD students will have equitable access to a wide range of challenging and inspiring courses and specialized programs that prepare students for college and career.

#### District Mission and Vision Statements

Each student will graduate with the skills needed to contribute and thrive in a changing world.

#### District Goals

Goal 1: Increase the percentage of students who have the skills and knowledge to graduate from high school to college and/or career ready.

Goal 2: Provide an engaging, clean, healthy, and physically and emotionally safe environment to support learning at the highest levels.

Goal 3: Enhance parent and community engagement and communication.

### Principal's Message

We are continuing to implement our social emotional learning program (Choose Love) and Positive Behavioral Interventions and Supports (PBIS) structure.

Our schoolwide expectations of being a Stingray STAR: Be Scholarly, Be Trustworthy, Be Accepting, and Be Responsible, are set in every classroom and across our campus. We explicitly teach students expectations of behavior and provide positive reinforcement for these behaviors. We have weekly Wednesday Morning Meetings to celebrate students, build school spirit, reinforce expectations, and reinforce Choose Love characteristics (Courage, Gratitude, Forgiveness, and Compassion). Jackson Avenue also implements Advancement via Individual Determination (AVID) strategies schoolwide. Our focus is student goal setting, organization, note-taking strategies, and inquiry. We have focused on developing student agency, specifically in goal-setting, tracking, and planning for success, as well as student choice in work tasks.

Our Science Specialist implements Project Lead the Way (PLTW). PLTW is a science program that focuses on engineering. It provides the opportunity for students to utilize critical-thinking, science, and math skills to apply and implement solutions to engineering problems. Jackson Avenue's middle and high school feeder schools also offer PLTW programs. We have a team approach (Coordination of Services Team, Student Success Teams, and Grade-Level Teams) to ensure students receive the additional targeted support they may need to grow and excel. We value parent participation, support, and input. We also have additional counseling opportunities for students going through difficult transitions, offered by Hume Center. We have incorporated mindfulness strategies to help support student self-regulation, increasing their ability to focus and succeed. We also teach students strategies to promote a growth mindset, which will provide a path to being a lifelong learner. Our Kid Connection Program supports our students with learning coping skills and social-emotional development. We screen all students in reading and perform more specific assessments for those students who require more support. We then provide reading intervention to students.

Jackson Avenue offers the following programs and opportunities to students:

- Transitional Kindergarten: Prepares younger students (chronologically or developmentally) for success in Kindergarten for the following school year by using active learning.
- Kindergarten: We offer an extended-day Kindergarten (from 8:30 a.m. to 1:30 p.m.) for all students.
- Universal Access Block: Provides opportunities for small-group reading instruction across all grade levels.
- Character Education: Students learn conflict resolution strategies and how to foster an inclusive environment.
- Kid Connection: Students are provided individual and small-group instruction and support to improve in the areas of social and emotional growth.

We provide children with a supportive educational environment that fosters responsibility, goal-setting, and a dedication to learning. In addition to building academic skills and providing a challenging curriculum, we strive to guide all children in developing self-respect and respect for others. We believe education is a cooperative effort of the school, home, and community. Our primary goal is to prepare students to become responsible members of their immediate community and, ultimately, the global community. The years from grades TK-5 are a time of uninhibited wonder, enthusiasm for learning, and rapid intellectual growth. We take advantage of this unique window to help every child obtain the best possible start as a lifelong learner.

### School Mission Statement

Jackson Avenue Elementary School, in partnership with the community, will provide all students with a rigorous education, including problem-solving, character-building, and 21st century skills to successfully prepare them for roles as productive citizens.

Socioeconomically Disadvantaged	29.8
Students with Disabilities	15.1

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The LVJUSD has adopted the Next Generation Science Standards and the California State Standards in the following content areas: English/language arts and literacy in history/social science, science and technical subjects, and mathematics. Our district has also adopted the State content standards for history/social science, English language development (ELD), physical education, visual and performing arts, and career technical education. Our district adheres to State curricular guidelines for health and foreign language. The LVJUSD Board of Education has approved and adopted instructional materials in all content areas, aligned to State and district-adopted standards.

Our district reviews and adopts textbooks based on State and district standards. Our district instructional materials are selected and adopted in accordance with board policy and Board Regulation 6161.1 for Selection and Evaluation of Instructional Materials. Supplementary materials, including core literature and state-approved intervention materials are selected and used to increase access to standards-based instruction.

Our district's selection process includes a committee of teachers, along with parent input. The committee develops evaluation criteria, pilots materials, makes recommendations appropriate to each adoption cycle.

The final book selection is based on input from a district committee. Staff development is provided for all new textbook adoptions. Districtwide adoptions include elementary English language arts and English language development in 2018-19 and secondary in 2019-20, history/social science in 2005-06, elementary science in 2022, grades 6 - 8 science in 2021, grades 9-12 math in 2007-08, grade 6-8 math in 2014, and grade K-5 math and algebra 1 in 2016. Textbooks are available, without charge, for all students. Each student receives a book for his or her own use. Students are responsible for keeping textbooks in good condition and for returning them promptly at the end of the school year.

By the eighth week of school each year, the LVJUSD Board of Education passes a resolution certifying, "Sufficient Standards-aligned textbooks and instructional materials were provided to each student, including English learners (EL), in mathematics, science, history/social science, and English/language arts, including the ELD component of an adopted program." Foreign language and health textbooks are adopted and ordered in sufficient quantities. In addition, science laboratory equipment is available for science laboratory courses offered in grades 9-12, inclusive.

In accordance with the terms of the Williams case settlement and Education Code 35186, a uniform complaint process has been developed, and guidelines are posted in every classroom. "Each student, including English learners, must have a textbook or instructional material, or both, to use in class and to take home. This requirement includes pupils enrolled in foreign language and health classes, and is applicable to science laboratory equipment for science laboratory courses offered in grades 9-12 inclusive." No complaints have been filed relative to "sufficiency" of instructional materials in our district.

## School Facility Conditions and Planned Improvements

Jackson Avenue Elementary School first opened in 1963. The facility has been expanded and remodeled over the past 50 years. The school completed construction of the rest of the school in September 2008, funded by a local bond. Gates were installed enclosing the campus in the 2012-13 school year. There is a new kindergarten playground, two new K-5 playgrounds, and extensive field areas for student play and physical education that were installed in 2018-19 thanks to the Measure J Bond.

All classrooms have networked computers with printers, a digital projector, sound system and a document camera. Our District is 1:1 in grades 1-5, in which each student is provided a Chromebook to use at school and at home. There is also a multipurpose room with a stage and a kitchen facility.

A head custodian maintains the site from early morning to afternoon, and 1.5 full time equivalent night custodians work from afternoon to late night. The custodial staff work to develop cleaning schedules to keep the site clean and safe.

We have two gardens on campus. One garden is maintained by parent volunteers and is used as an outside classroom. Another garden is maintained by a Girl Scout troop. They grow vegetables to provide to families in need.

Measure J supported the installation of a new digital marquee for our school site. We also have solar panels in the parking lot and on our blacktop to provide shade during recess and PE. We installed three new playground structures through Measure J funding. We also have updated our field. All classrooms have ceiling mounted projectors and sound systems (installed in 2018-19). Security cameras were installed in 2018-19 as well.

Education is a top priority in the community of Livermore, and maintaining a safe and orderly environment maximizes student learning. The citizens of Livermore have passed three major funding measures targeting school facility needs: Measure B in 1975, Measure L in 1999 and, most recently in June 2016, the generous and supportive Livermore community passed the Measure J Facilities Bond.

Measure J funds are being used to:

- Modernize classrooms, science labs and educational technology for 21st century instruction
- Repair aging infrastructure: roofs, plumbing, HVAC and electrical systems
- Renovate facilities for advanced science, technology, engineering and math (STEM) and Career Technical Education (CTE) courses
- Improve safety, including security lighting, fencing, fire safety, and other emergency systems
- Upgrade deteriorated hardscapes, physical education facilities, and pick-up/drop-off zones
- Increase access to school facilities to better accommodate individuals with disabilities

Through these bond measures and developer fees, our District has been able to renovate, modernize and construct newschools following the Facilities Master Plan.

Facilities are maintained through the diligent efforts of the site custodial crews and District maintenance staff. Our Board of Education has adopted cleaning standards for all schools in our District. The principal works with the custodial staff to develop cleaning schedules to maintain clean and safe schools. District maintenance staff performs the repairs necessary to keep the schools in good working order in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	64	N/A	60	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	57	N/A	47	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Livermore Valley Joint Unified School District (LVJUSD) values active parent engagement and believes that parent involvement is essential to the success of all students. LVJUSD Board Policy 6020(a) states:

“The Board of Education recognizes that parents/guardians are their children’s first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.”

Educational research suggests that highly effective schools have a number of features in common, including high levels of parent and community involvement. When parents take an active role in their children’s education, students perform at high levels and have more well-rounded educational experiences. LVJUSD parents are welcome partners in our school community. There are a range of opportunities for parents to engage with schools, including Parent Teacher Associations (PTAs), Parent Faculty Associations (PFAs), sports and activity booster clubs, and other supporter groups. On a monthly basis, the Superintendent of Schools meets with a representative of each school’s parent organization at the Parent Communication and Information Council (PCIC). This gathering provides an opportunity for parent groups to collaborate with each other and representatives of our district regarding events, opportunities, and activities for students and families. This is also a time district representatives share new initiatives and current information with parent leaders. In addition, parents have the opportunity to share general concerns and ask questions directly to the Superintendent. Each school also has formal advisory groups including School Site Council (SSC) and English Learner Advisory Committee (ELAC) who represent other parents at the site and are critical in the development and monitoring of the School Plan for Student Achievement (SPSA). A representative from each SSC serves on the District Local Control and Accountability Plan (LCAP) Advisory Committee, and a member of each ELAC serves on the District English Learner Advisory Council (DELAC), which also serves as the LCAP English Learner Advisory Committee. Through these two-way systems of parent support and engagement, parents, district, and school staff have open lines of communication and opportunities to engage in meaningful ways with the school community.

Parents are an integral part of our Jackson Avenue Elementary School environment. We have several opportunities for parents to become involved and are open to additional ideas and suggestions. We appreciate the dedication of parents who support

## 2022-23 Opportunities for Parental Involvement

their students' learning in a variety of ways. Parents volunteer in classrooms and make many field trips possible by driving and chaperoning students.

Parents participate in our School Site Council (SSC), Parent Teacher Organization (PTO), and English Learner Advisory Committee (ELAC) to provide input and support. Our programs are supported through volunteering, fundraising, sponsoring, conducting enrichment activities, and participating on committees. The SSC reviews and approves the School Plan for Student Achievement. The SSC also makes recommendations and reviews programs, progress, and student achievement.

We have an extremely active PTO that supports our school programs both financially and through volunteer efforts. They support our classrooms with supplemental materials and provide financial support for our classrooms and field trips. Our PTO also supports many community social activities. The PTO organizes our Holiday Gift Store; weekly ice cream sales; and a silent auction and carnival in the spring to raise money for additional supplies, enrichment programs, assemblies and more. For more information on how to become involved, please contact the executive assistant to the principal, at (925) 606-4717, extension 3819 or ccuneo@lvjUSD.org.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

Jackson Avenue Elementary School, in conjunction with LVJUSD, provides a safe, comfortable learning environment that contributes to student academic success. The Safety Committee meets regularly to update and review the Safety Plan. The School Safety plan addresses preparedness and response for a variety of possible disasters such as earthquakes, fire, and intruders. We have regular practice drills for all three events. The school maintains emergency supplies, which are stored away from the main buildings in an emergency storage container. Visitors are all required to sign in and sign out in the school office through Raptor and wear a badge when visiting the campus. All LVJUSD school personnel are asked to wear their district identification tags. Emergency first-aid information, emergency kits, and emergency-evacuation maps are posted in every classroom. Yard supervisors are equipped with handheld radios. They are on campus to provide student supervision during recess and lunchtime. All yard supervisors and office staff have been trained in the use of the EpiPen (epinephrine injection). At the beginning of the year, the Safety Plan was reviewed with all staff. The school safety plan was last reviewed, updated and discussed with the school faculty in October 2022.

## 2021-22 Types of Services Funded

Categorical funds support a wide range of districtwide and site services to assist all students, including underperforming students, in meeting and exceeding standards. At the district level, categorical funds are used to provide program specialists and staff to monitor, implement, and oversee Migrant Education, Native American Education, Special Education, intervention; summer school; Tri-Valley Teacher Induction Project (TV/TIP) and new teacher support; professional development; and the English learner (EL) program.

District-level advisory committees such as the Local Control Accountability Plan (LCAP) District English Learner Advisory Council (DELAC), Career Technical Education (CTE) Advisory Committee, Technology Committee, Elementary Math Leads, Algebra Task Force, and Special Education Advisory Committee provide input and guidance to ensure compliance and ensure funds are used so that student needs are met. In addition, our District is implementing the LVJUSD Framework for Success. The framework includes Multi-Tiered Systems of Support (MTSS) for students' academic, behavioral, and social-emotional needs.

The following categorical programs provide the following services.

Categorical Program Funding Sources and Services:

- After School Education and Safety (ASES) funds support the Livermore ASES (BELIEVES) program at Marylin Avenue Elementary and Junction Avenue K-8 Schools by providing enrichment opportunities, homework support, and an emotionally and physically safe environment for students.
- Carl D. Perkins Career and Technical Education funds provide professional development, services, materials and resources for career technical education in our high schools.
- Tri-Valley Teacher Induction Program funds provide training and coaching for our new teaching staff and funds professional development.
- Special education funds provide staffing, including program specialists, psychologists, therapists, professional development, transportation, and supplementary materials for special needs students.
- State Assessment Apportionments are used to administer state-mandated assessments.
- Title I: Funds provide resource teachers, supplemental instructional materials and assessments, instructional aides, staff development, and parent involvement.
- Title II: Improving Teacher Quality funds provide high-quality professional development, training, and coaching to certificated staff.
- Title III: English learner funds provide EL programs, services, parent education, professional development, supplemental instructional materials, and support staff to ensure quality programs for English Learner students.
- Title IV: Provides funding for supplementary programs, safe schools, and effective use of technology to ensure a well-rounded education for all students.
- Title VI: American Indian funds are used for staffing to support parent education, guest speakers, tutoring, cultural activities, and incentives for Native American students.

## Professional Development

Our district recognizes that each employee—classified, certificated, and management—influences the opportunities for students to achieve at the highest levels. In line with our District Professional Development Plan, we offer and support ongoing growth opportunities that allow every teacher, administrator, and staff member to further develop the appropriate knowledge, skills, and practices required to create learning environments that allow all students to demonstrate high levels of achievement. Our Board of Education and our district administration recognize that all staff members of the LVJUSD must be provided time and support to acquire, improve, and enhance professional knowledge, practices, and skills.

During the 2022-2023 school year, relevant and timely professional development will be available and delivered to employees. Three designated professional development days and a flexible professional development day for certificated staff provide the option of individualized professional growth for teachers. Employees will be able to access professional development opportunities through attendance at a conference-style professional development day; attending workshops after the instructional day; or through on-line recorded sessions.

As part of the process used in annually updating our District Professional Development Plan, staff reviewed student academic and Social-Emotional Learning data; as well as reviewed feedback/input from staff from the previous years' PD opportunities. Professional development will primarily focus on effective Tier-I instruction; Tier-II support programs; Positive Behavioral Interventions and Supports (PBIS), student and staff safety; customer service; meeting the needs of students with Individual Education Plans (IEP); effective usage of technology as an instructional tool; effective instructional practices for English learners; and implementation of specialized programs such as Dual Immersion, International Baccalaureate, Advancement Via Individual Determination (AVID), and Advanced Placement programs.

This table displays the number of school days dedicated to staff development and continuous improvement.
