

Password Changes for Students

For security reasons, students grades 5 through 12 (or younger if there are concerns) should change their default password.

STUDENT

Students are able to change their password by going to <https://wam-stu.lvjUSD.k12.ca.us> and logging in with their current username and password.

LVJUSD Student Web Account Manager

New Password

Confirm Password

Reset

New Passwords must be at least **9 characters long**

TEACHER

Teachers can easily reset a student's password by going to <https://wam.lvjUSD.k12.ca.us/> and logging in with their own username and password.

LVJUSD Web Account Manager

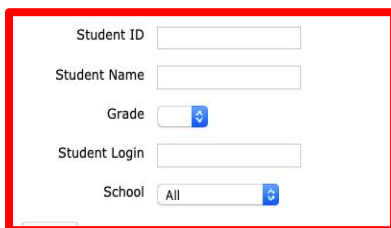

Logged in as: "jjanzen" [Log off](#)

Student ID

Student Name

Grade

Student Login

School

Fill in any one or more of these fields to click search to find students

[Reset Password](#)

Click Reset Password next to the student you would like to reset. The password will be reset to the student ID number **with a leading zero**.

Example:
Student ID: 20011234
Password: **0**20011234
